Hiring Choir Conductor

Fall Semester 2026

About us: Lead a 40 members mixed inclusive international choir in nation's events and end-of-semester concerts. We are very open with the repertoire, ranging from traditional to contemporary music.

Requirements: enthusiastic, collaborative, and excited to help develop the choir together with us. Rehearsals are held in English. Previous experience is an advantage.

We are a social choir that loves performing just as much as we enjoy our weekly choir beers. Although no auditions are required to join, we always aim for high musical standards in rehearsals and performances.

Rehearsal on Wednesdays at 18:30 to 21 in Uppsala at the nation.
Paid position starting in September 2026
